ISB MEGA FAIR & FOOD FESTIVAL 2017

Date: October 12&13
Venue: The Indian School Bahrain

The Indian School Bahrain (ISB) is gearing up for Mega Fair and Food Festival which will be held on October 12 and 13 in the Isa Town campus. The ISB Fair is organized to generate funds to sponsor needy students and for staff welfare. ISB Chairman

Prince S Natarajan thanked the community and media for the overwhelming support to the previous fair, which was one of the best in terms of revenue generation and receivables. Last year around 800 students received benefit in the form of fee concession, he said. The School Fair is a carnival that witnesses a display of colours which include a variety of cultural programmes, orchestra and musical bonanza. It also contains a food festival which is a tasty hit among the crowd that comes in the campus during the carnival. Almost 100 stalls from leading business houses showcase their products and services this year. ISB Secretary Dr. Shemily P John said that the Fair is a way to reach out to the needy children whose educational future otherwise will be hampered because of non-availability of funds. Being a community school it is the responsibility of the school to support such needy children. Proceeds of the Fair will also go towards staff welfare and creation of a staff contingency reserve. The school has one of the lowest fee structures and it caters to the educational needs of all sections of the society. Majority of the students belong to the economically lower and middle class families. ISB Fair General Convener Mohammed Hussain Malim requested the support of the media and the community to make this venture successful. The entire programme will be announced in due course of time. It is a great opportunity to every business and service provider to reach out to a large section of the Bahrain population during the carnival days.
