

PRESS RELEASE – Immediate Release:

VajraSoft Inc. Announces Partnership with Center For Innovation (CFI), Arlington, Texas

Dublin/Fremont, California – May 31, 2013

VajraSoft Inc., a Web Software Application Products and Solutions Development Company based in Dublin/Fremont, San Francisco Bay area, CA announced today that the company is **Innovation Service Provider** (ISP) for ***The Center for Innovation*** (CFI), located in Arlington, Texas.

“We are very pleased with the partnership with The Center for Innovation (CFI) – as this will create great opportunities to help CFI – Affiliate partners and other firms to automate IP / Patent Portfolios, manage their Innovations in consistent, reliable and cost effective way” said Kamesh Eranki, CEO VajraSoft Inc., with offices in Dublin, Fremont and San Jose, California.

The Arlington, Texas based CFI is a catalyst for technology led economic development, facilitating and enabling the integration of industry, academic and government research with access to capital and talent.

Through the CFI, VajraSoft Inc. will facilitate and make available their software products and the ease of use management, oversight of the IP and Patent portfolio to CFI and its affiliate partners, universities and industries.

“VajraSoft Inc. intends to work closely with CFI and affiliate partners, and further deliver innovative software technology solutions, availing VajraSoft Inc.’s unique end-to-end, ease of use technology and IP Management Software to help companies realize their Return On Investment (ROI) on Intellectual property (IP) and Patents” – added Kamesh Eranki, CEO VajraSoft Inc.

CFI is one of only four federal “partner intermediaries” in the country that is allowed priority access to any Department of Defense lab and the only partner intermediary in the country for multiple federal agencies. CFI also provide access to the best and brightest recruits from universities, industry and its network of companies.

About the Center for Innovation, Arlington, Texas

The Center For Innovation – www.thecenterforinnovation.org is a non-profit LLC, established in 2002 to serve as a catalyst for technology based economic development, comprised of collaborative partnerships and agencies, collectively focused on three strategic initiatives; (1) creating world class deal flow; (2) catalyzing the formation of venture capital; and (3) training, recruiting, and retaining the talent and know how necessary to support the innovation economy.
