World's hottest startups recognized as TiE50 2013 Finalists.

Dublin/Fremont, CA – April 30, 2013

VajraSoft Inc. a Web Software Application Products and Solutions Development Company based in Dublin/Fremont, SF Bay area, CA - was chosen as a Finalist in the Software (Cloud Computing) category at TiE50 Awards.

The Indus Entrepreneur (TiE) Silicon Valley, the organizer of TiEcon 2013, the world's largest conference for entrepreneurs, announced the finalists of the [TiE50 Finalists](#). The TiE50 winners will be announced upon further evaluation and review of presentations at [TiEcon 2013](#), to be held on May 17–18th, at the Santa Clara Convention Center in Santa Clara, CA. More than 1,100 companies from 22 countries were screened resulting in 103 world class finalists.

“World’s hottest startups are recognized as TiE50 2013 Finalists” said a press statement by the organizers TiE. The TiE 50 selection process was designed with meticulous planning, screening and judging by a team of prominent entrepreneurs, venture capitalists, corporate executives and other domain experts. Winner awards will be presented on Saturday, May 18, 2013.

“We are honored and proud to be selected as a Finalist in TiE50 Awards. VajraSoft Inc. – est. 2011 and with 15 Software products already – to be chosen as a Finalist out of 1,100 companies is by itself a great honor. We are pleased to take part in TiEcon 2013 - where we will showcase our company and offerings” said Kamesh Eranki, CEO VajraSoft Inc.

About TiE50 Awards

TiE50 is TiE Silicon Valley’s premier annual awards program contested by technology startups worldwide. TiE50 track record since inception in May 2009 shows that 94% of the winners and finalists have been funded, attracting over \$20 Billion in investments! More than 110 companies have been acquired, merged or went public. Participating technology startups benefit from a vast ecosystem of venture capitalists, angels, and entrepreneurs. Other participant privileges include significant investor exposure, online virtual showcasing and technology and business partnering/networking. For more information, please visit www.tie50.net.
