

Press Release – Immediate Release

VajraSoft Inc. Announces 14 Alliance Partnerships around the Globe

Clients looking for Patent drafting, filing, prosecution & renewals management services in countries around the globe can benefit from VajraSoft Inc. end-to-end IP Business Services Offerings by leveraging Strategic Alliance partners.

Dublin / Fremont, California – June 15, 2013 – VajraSoft Inc. a Web Software Application Products and Solutions Development Company based in Dublin/Fremont, California, United States announced Strategic Alliance partnerships with 14 **leading Patent & Trademark and Attorney firms across the Globe.**

These Strategic Alliance partnerships will enable VajraSoft Inc. to provide end-to-end IP business services in all 5 continents (North America and South America including Latin America, Asia & Pacific Islands, Africa and Australia and also major countries in EU (European Union)).

A primary goal of the Global Strategic Alliance Partner Program is to collaborate and deliver end-to-end Intellectual Property (IP) business services worldwide to prospective customers. The Global Strategic Alliance provisions support for end-to-end solutions, especially for Global IP Patent portfolio and Management.

“ We are pleased to announce that 14 separate organizations are now our Strategic Alliance partners across the globe and will be enhancing their service offerings by adopting our Software products,” said Kameshwar Eranki, CEO VajraSoft Inc.

"The close collaboration focuses on customer IP implementations – including IP Strategy, IP Management and related services, ensuring quality, efficiency and success for each client. VajraSoft IP Cost-O-Meter™ will be used for generating quotes, IP filing cost estimation and Thunderbird Patent Portfolio Management will be leveraged for drafting patents, case management, managing patent prosecution, total costs related to each IP as well as patent renewals management".

VajraSoft Inc. has formed strategic alliance partnerships with a number of expert consultants and service providers to help our clients meet broader needs, and is looking to forge new Strategic Alliance partner relationships across the globe. **"Our strategic alliance partner's universe is unique and well diversified, ranging from the big to small consulting practices in different practice areas"** said Kameshwar Eranki, CEO.
