

PRESS RELEASE – Immediate Release:

VajraSoft Inc. Announces CEO Kamesh Eranki an invited speaker at the “Global Patent Strategy Exchange Conference” to be held in Dublin, Ireland on June 4-6, 2013

Kamesh Eranki to speak on “Using Innovative Technologies to Better Manage Your Patent Portfolio”

Dublin/Fremont, California – May 31, 2013

VajraSoft Inc., a Web Software Application Products and Solutions Development Company based in Dublin/Fremont, SF Bay area, CA announced today that CEO Kamesh Eranki an invited speaker at the exclusive “Global Patent Strategy Exchange Conference” to be held in Dublin, Ireland on June 4-6, 2013 at the Carton House, Ireland

The Global Patent Strategy Exchange is exclusive with participation strictly limited to IP executives, counsels from leading companies to facilitate true peer-level networking for our delegation and speakers. Also planned Strategic conference sessions specifically designed for the seniority of the participants, with a focus on strategy rather than solely education.

Another trademark of the conference are unique learning sessions blend traditional with Master classes led by a solution provider, BrainWeaves, networking functions and meetings of the most relevance. Round table discussions and engagements around particular challenges facing IP leaders as well as one-on-one business meetings is also part of the agenda.

“It is an honor to be part of an exclusive Patent conference and be a speaker at the same where top notch and experienced Chief Patent Counsels, IP leaders are present and set the pack for IP and Patent issues for the coming future. I will be speaking on “*Using Innovative Technologies to Better Manage Your Patent Portfolio*” said Kamesh Eranki, CEO VajraSoft Inc.
