IPWayz™ Provisional

Quickly Prepare and Submit
Your Provisional Patent Application
To the Patent Office

Introduction

IPWayz™ Provisional allows you to create, manage and submit your provisional patent application to the US Patent and Trademark Office (USPTO).

IPWayz provides you not only provides self-service provisional patent application drafting and filing but also extended capabilities. IPWayz Provisional package options include: *Silver Package, Gold Package and Platinum package.*

If you do not want to take a chance of doing it yourself and engage the IP experts who can assist your provisional patent application filings.

Why IPWayz Provisional?

IPWayz Provisional is low cost option for you to directly create and submit your patent application and get “patent pending” status. From there on, you have one year to file a formal patent application – country application or PCT International application.

- Use the provisional patent application checklist and quickly prepare your application.
- Leverage requisite search strategy to conduct patentability search or

Freedom To Operate (FTO) search and ensure you have clear path for patent protection.

- File your application online with USPTO Electronic Filing System – EFS-Web.
- Use the choice of preparing one or more provisional patent applications
- Receive Email alerts & reminders for potential patent filing within 12 months

Based on your choices of subscription you have the choice of leveraging the experts to prepare your patent application and file and also receive reminder alerts and notification so that your application is not abandoned.

Benefits of IPWayz Provisional

- You as Applicant can get 12 months-time to fully develop the invention and in the meanwhile, ascertain its market potential
- Helps you to establish “priority” right over the invention. First to file is the key.
- Enables you to use the term "patent pending" on your product
- It is less expensive to prepare and file the application
- You, as applicant need to file International application and claim priority within 12 months.
